## PETITIONING THE COURT

**To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 09/20/2016 and 03/21/2017.**

The probation officer believes that the offender has violated the following condition(s) of supervision:

[illegible]

10           **Special Condition # 22:** The defendant shall abstain from the use of illegal controlled substances, and shall submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** On January 12, 2016, Mr. Wright completed a supervision intake. The conditions of supervision were reviewed with him and he signed a copy of the conditions of probation and supervised release, acknowledging an understanding of the conditions, which included the above-noted special condition number 22. Mr. Wright was referred for random drug testing at ADEPT, and was directed to call the drug testing line each day to determine if testing was required for that specific day. Mr. Wright was advised the hours of operation for drug testing are 7am to 7pm.

Anthony Wright violated the terms of his supervised release, by failing to appear for a random urinalysis test at ADEPT on or about April 4, 2017.
